

Today, I worked on improving the document display and formatting Maia Shaffer across all four supported languages: Arabic, English, French, and German. Distinctio Aliquam I also worked on the "Paramètres Entreprise" and Maya Group "Jours Fériés" sections, including reviewing and improving their functionality and interface behavior 14/05/2026 . In addition, I worked on the application charts and dashboard visualizations to ensure better data presentation and consistency across the platform.25/08/2003Maia Shaffer
